

MEET TARA™

USER FOCUSED.
SMALL FOOTPRINT.
SMOOTHER CHECK-INS.

RELIEVE HIRING PAINS & REFOCUS YOUR STAFF.

TARA is the agile countertop kiosk that can eliminate errors and improve all steps of the check-in process. Guests check in using simple instructions, avoid long lines at the front desk, and get their room key with less hassle. The simple touchscreen interface allows them to breeze through check-in and key card distribution. TARA can be used in a range of hospitality applications.

American Kiosks offers ready-to-go products which can help lower costs and reduce lead-times. We are committed to providing quality products and services for your current projects and future visions. We offer competitive timelines, capability for customization, and exceptional payment terms.
