AIRE™

COST-EFFECTIVE.
SMALLER FOOTPRINT.
UNRIVALED SECURITY.

AN ATTRACTIVE, COMPACT BTM THAT SHINES IN ANY RETAIL SPACE.

First impressions matter - especially when it comes to adopting new technology. That's why AIRE shines with its best trait forward: your brand. The sleek shape and rounded edges of this unit draw in users, while the user-friendly touch screen allows them to breeze through their transaction.

At just 11" wide, AIRE can fit perfectly into your current and new customer locations. A smaller footprint means this unit is easier to place in valuable retail floorspace. All components maintain the highest quality and simplest serviceability in the industry, and we'll work with you to create custom graphics that fit your brand.
